Hi Jeannie,

We have no sales rep for consumables. SANDRA CASTRO-NGUYEN [sandra_castro-nguyen@non.agilent.com] was the sales rep I spoke with for the pump quote. The pump price \$ 2659.00, then with the return of the old pump we will be credited the \$701.00. I hope this answers your questions. Sorry for the confusion, everyone was unsure how to proceed with this, because it is a repair for existing equipment.

Thanks,

Jim

Good Morning James,

Where on this quote does it show the dollar amount of the pump you are returning? Is it included with the price?
Also who is your Agilent sales rep?

Subject: Agilent Vacuum Pump Quote

Hi Jeannie,

I need a quote from Agilent for vacuum pump part #G3170-80025. Attached is a quote I received today from Agilent for the vacuum pump we need, I don't know if you can use it. We will be retuning old pump for a \$701.00 credit. So when pump is ordered you must inform them of the return so appropriate packaging material will be sent to us.

Thanks,
